

# **Energy Efficiency in the Public Sector Policy Conference & Exhibition 2026**

**19th February 2026  
IoD 116 Pall Mall  
London**

## Overview

Welcome to the Energy Efficiency Association's Energy Efficiency in the Public Sector Conference & Exhibition, a one-day event focused on the challenges facing local authorities and councils as they work to improve energy efficiency and meet sustainability goals.

Organised by the Energy Efficiency Association, the conference brings together policymakers and delivery partners from across the UK public sector to discuss practical solutions, funding opportunities and policy developments that support a more sustainable future. Alongside insightful discussions and case studies, the event offers valuable networking opportunities with those driving energy efficiency across the public sector.

## Attendees

On the day, we will see over 150 leading installers, managing agents, funding providers, manufacturers, certification bodies, local authorities, housing associations, policy makers, and industry luminaries come together. Join this diverse gathering of key stakeholders as they share insights, forge partnerships, and shape the future of energy efficiency delivery in the UK.

**Tickets are available for £90 + VAT for EEA members and £120 +VAT for non-members. Prices include buffet lunch.**
